A SPECIAL DEDICATION

This concert is dedicated in prayer to all those families who are grieving the loss of a child; no hardship could be more difficult to bear. As we look to our Blessed Mother – Our Lady of Sorrows - for strength, we reflect on her example of faith in the midst of deep anguish and pain, leading us to acceptance and hope in the promise of the Resurrection. We invite those who have lost a child to submit his or her name to mamarinelli@comcast.net by Friday, April 20, to be included in the printed concert program.
